**) Providing an email address grants BACC permission to send all Club communications via email, including meeting announcements, event updates and the monthly newsletter. Club policy prohibits the use of member email addresses for solicitations, advertising or any non-Club-related purposes. Members with email have the option to also receive a print copy of the newsletter by paying the higher dues rate charged to non-email users who are unable to receive digital communications. The higher dues rate helps the Club recover postage costs.
